Currently Disclosable Information

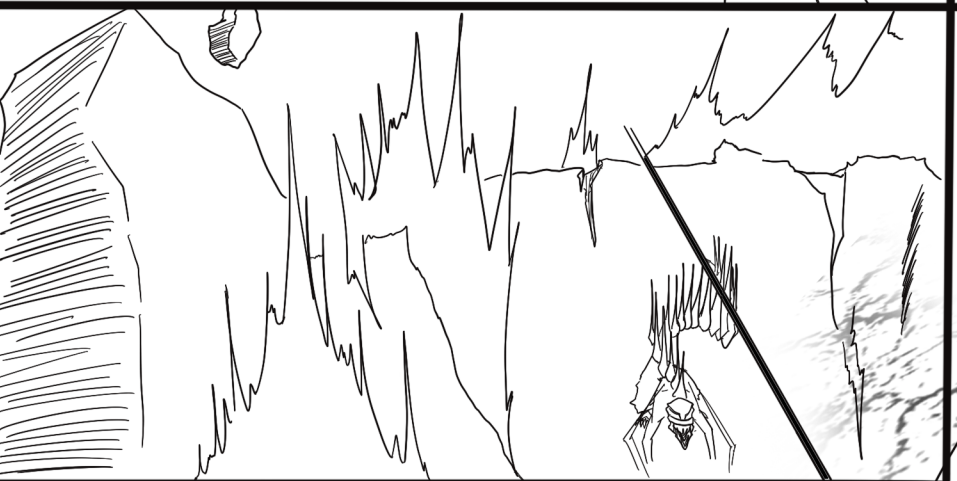

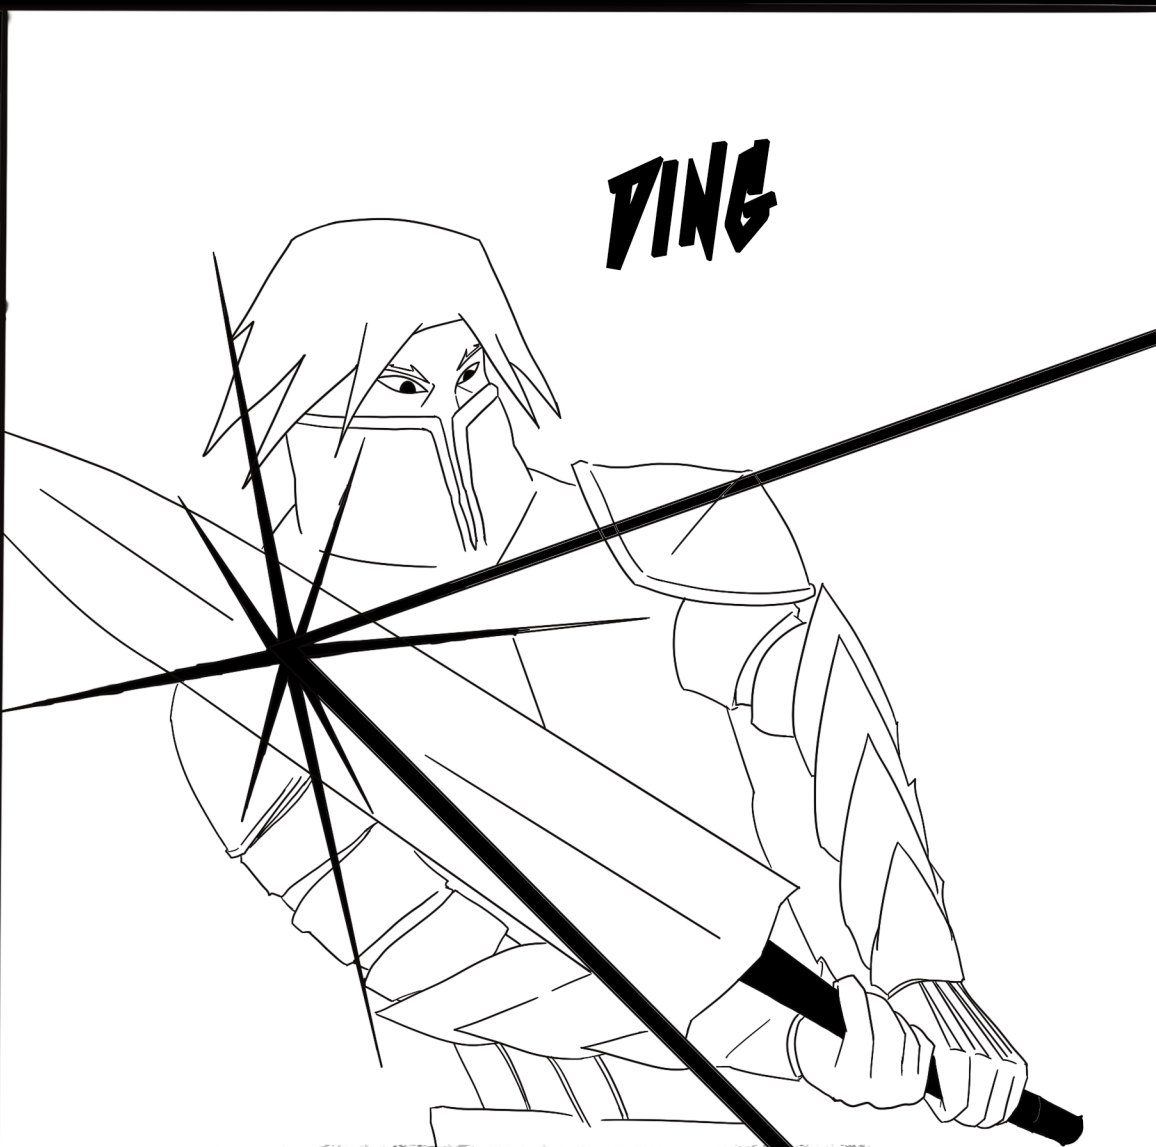

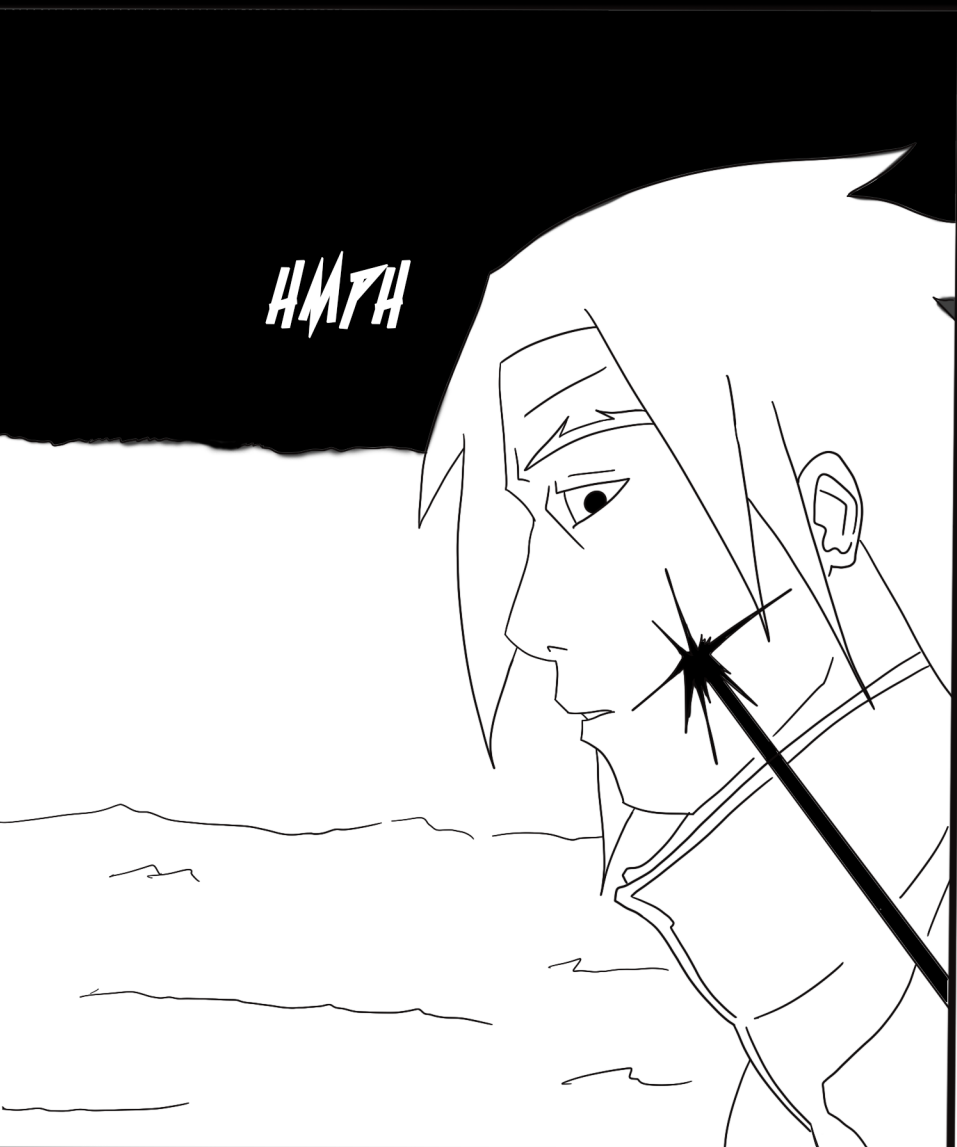

Not much is known about this form, other than it is dubbed by some to be “Rage Incarnate”.

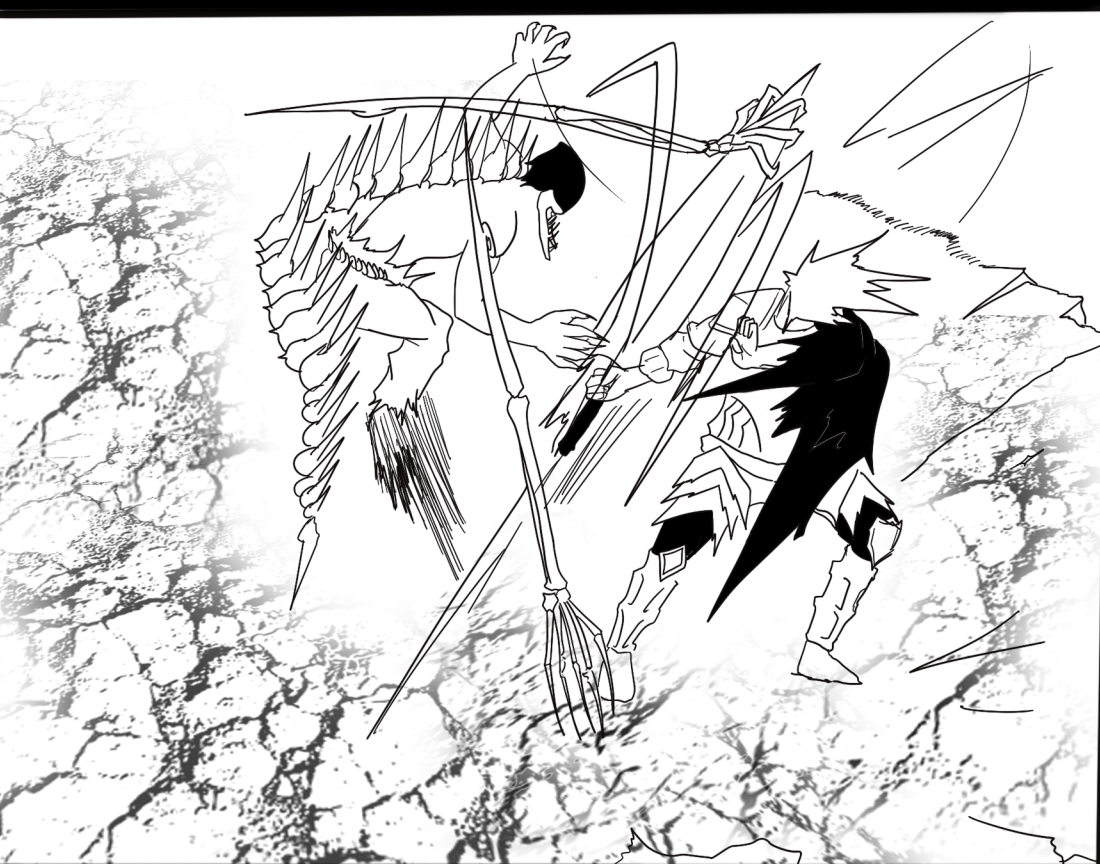

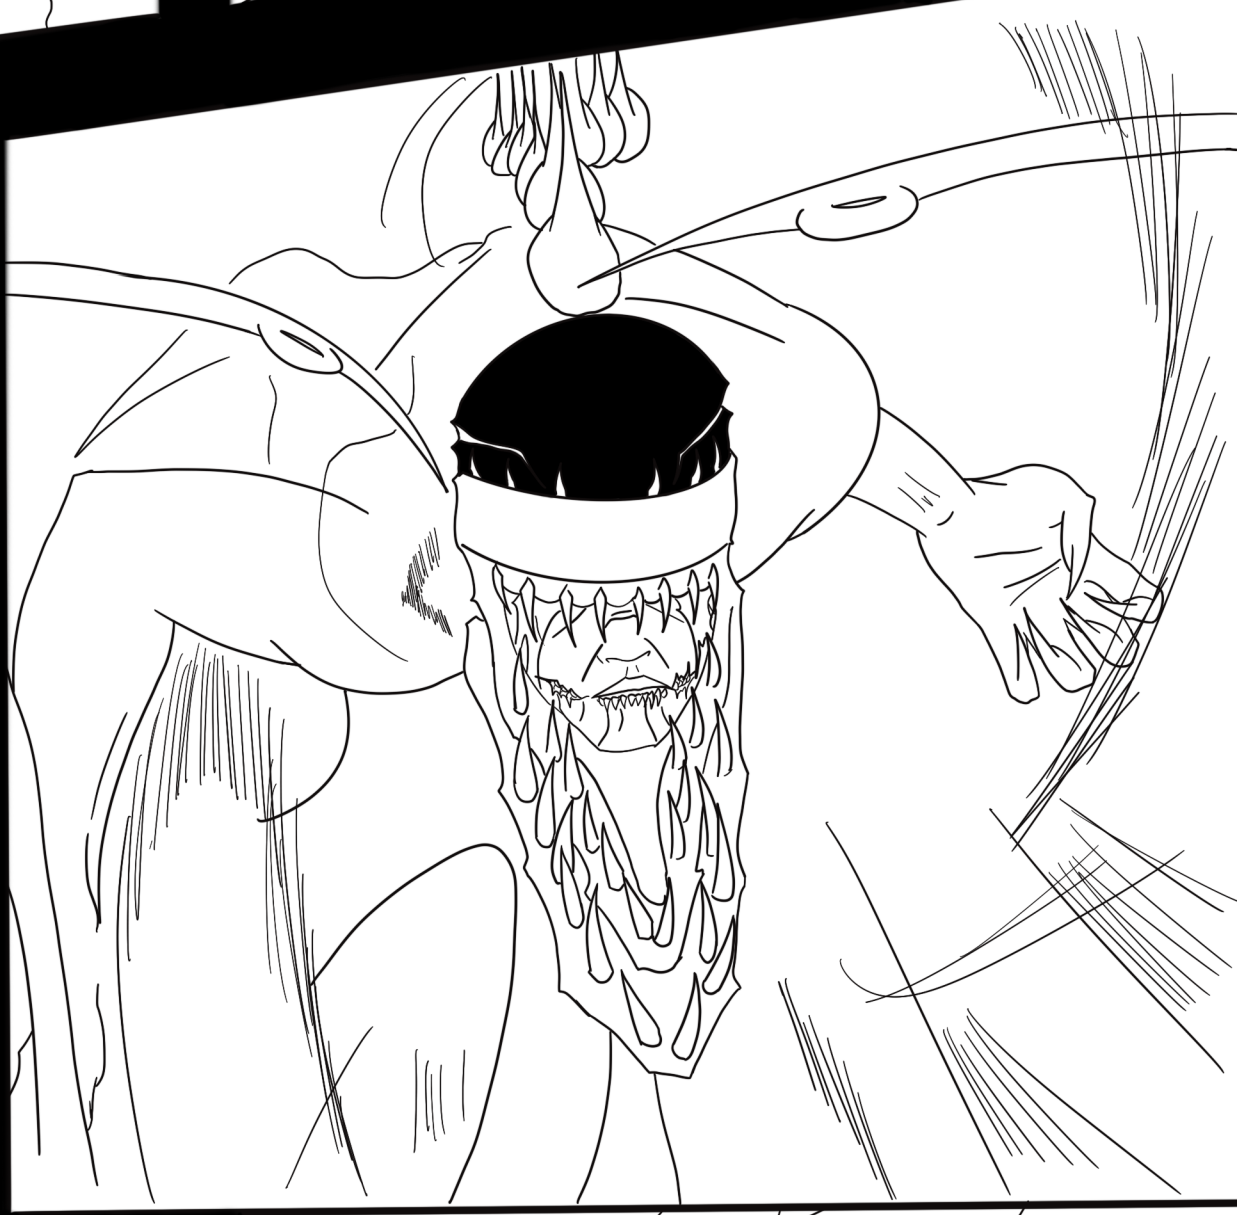

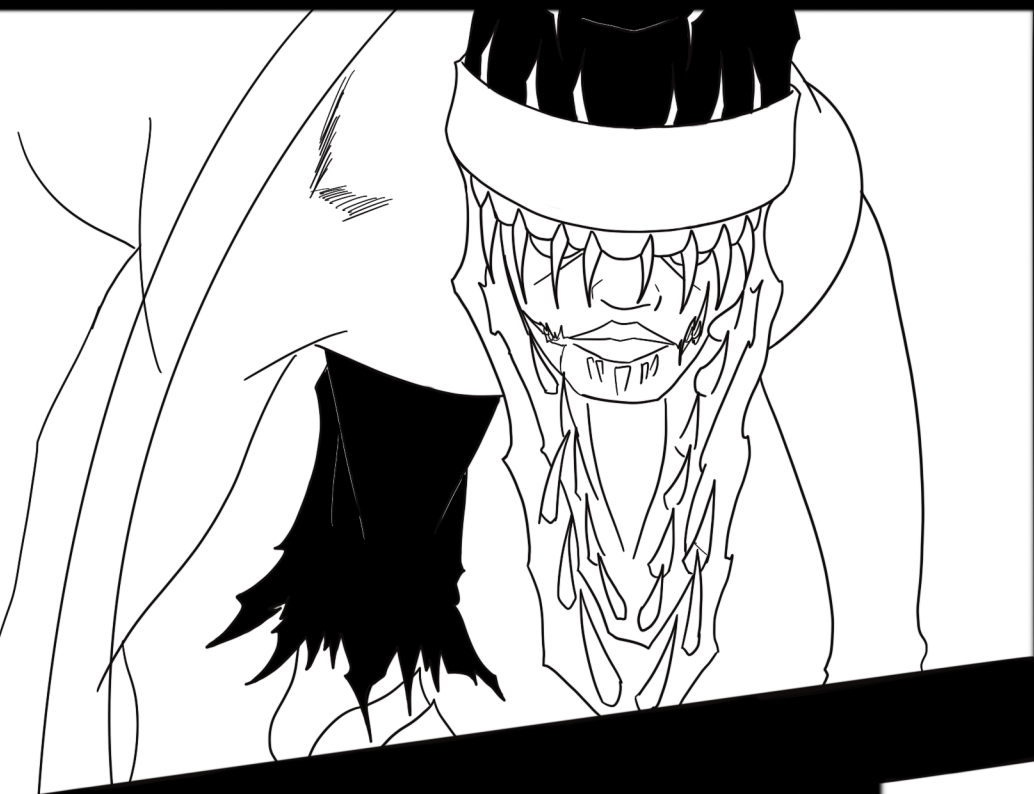

It first appeared after Azariah became unconrollably enraged at the sight of his dead and mangled comrades. It features deformed extremities with flame tips, and a head and jaw with a spine attached, as if something is controlling him. Maybe it is a representation of his existence, a being that is in a constant state of agony.

AZARIAH

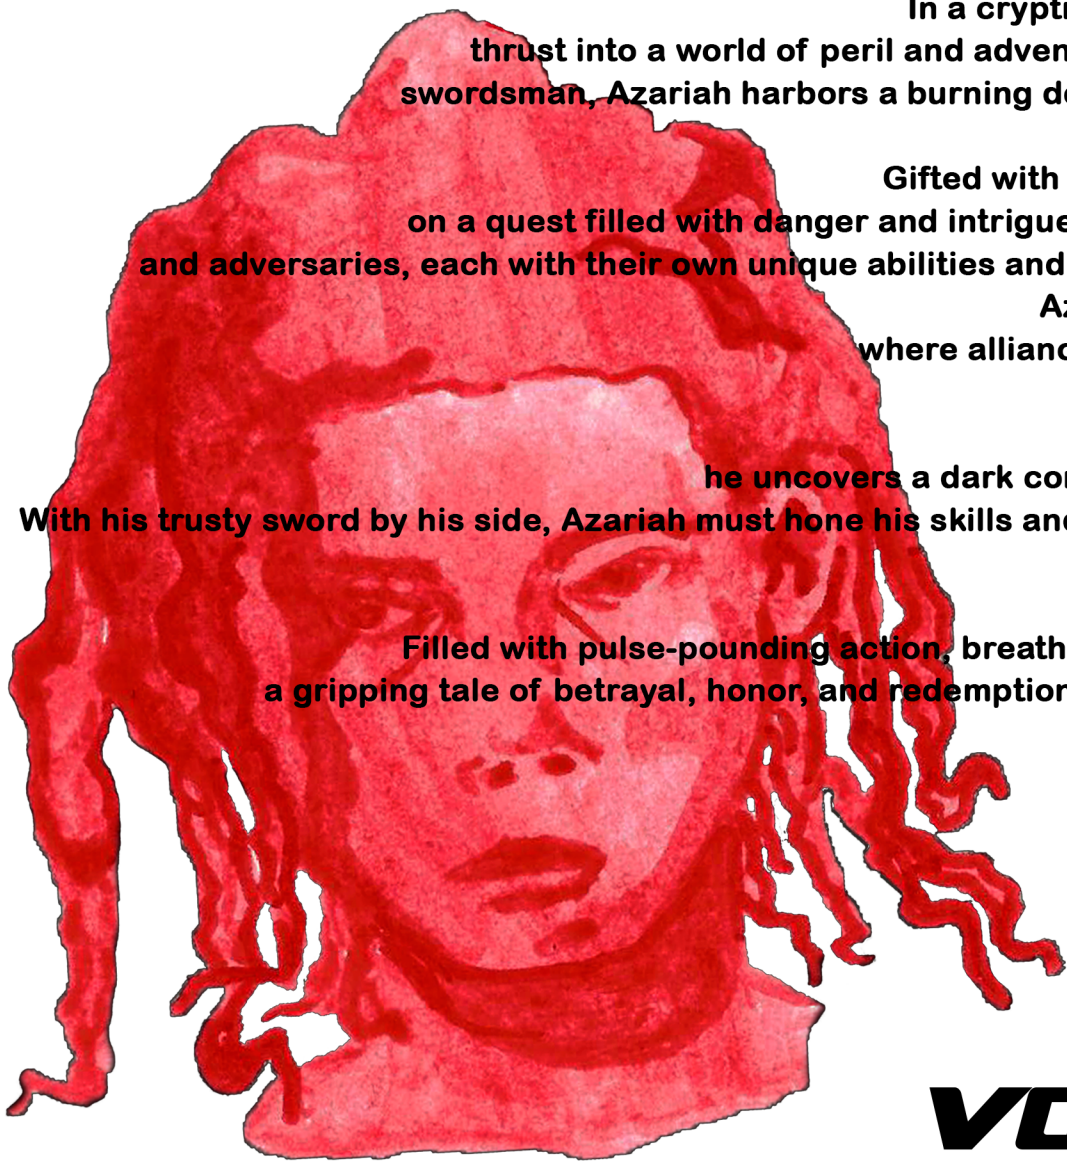

立ち上がる者

In a cryptic medieval-fantasy world, young Azariah finds himself thrust into a world of peril and adventure. Orphaned at a young age and raised by a retired swordsman, Azariah harbors a burning desire to uncover the truth behind his nation's downfall.

Gifted with an exceptional wit and combat skills, Azariah embarks on a quest filled with danger and intrigue. Along the way, he encounters a diverse cast of allies and adversaries, each with their own unique abilities and agendas. From cunning thieves to powerful sorcerers, Azariah must navigate through a treacherous landscape where alliances are fragile and betrayal lurks around every corner.

As Azariah delves deeper into the secrets of his past, he uncovers a dark conspiracy that threatens to plunge the world into chaos. With his trusty sword by his side, Azariah must hone his skills and embrace his destiny as he battles against formidable foes and unravels the mysteries of his lineage.

Filled with pulse-pounding action, breathtaking fights, and unexpected plot twists, "Azariah" is a gripping tale of betrayal, honor, and redemption in a world where the edge of a blade determines fate.
